

Q8. Which of the following best expresses your view of the proposed Bill? (please note this is a compulsory question)

Fully supportive

Please explain the reasons for your response.

Any safe way of administrating any kind of drugs has good to be the way forward.

Q9. Do you think legislation is required, or are there are other ways in which the Bill's aims could be achieved more effectively? Please explain the reasons for your response.

Yes legislation is required.

It makes it in law that these safe sites are protected which in turn gives confidence to public using them.

Q10. Which of the following best expresses your view of the proposal to establish overdose prevention centres?

Fully supportive

Q11. Which of the following best expresses your view of the proposal for a licensing regime to enable the establishment of overdose prevention centres?

Fully supportive

Q12. Which of the following best expresses your view of the proposal for a new body, the Scottish Drugs Deaths Council?

Partially supportive

Please provide reasons for your response, including views on the proposed functions of the SDDC (see pages 14 to 16 of the consultation document) and on how it should operate in practice.

Partial support because if council are only a paper exercise then waste of resources

Financial Implications

Q13. Any new law can have a financial impact which would affect individuals, businesses, the public sector, or others. What financial impact do you think this proposal could have if it became law?

some reduction in costs

Please explain the reasons for your answer, including who you would expect to feel the financial impact of the proposal, and if there are any ways you think the proposal could be delivered more cost-effectively.

Surely a reduction in deaths to families is worth any extra cost.
But safely giving out drugs Will help save money in long run

Equalities

Q14. Any new law can have an impact on different individuals in society, for example as a result of their age, disability, gender re-assignment, marriage and civil partnership status, pregnancy and maternity, race, religion or belief, sex or sexual orientation.

What impact could this proposal have on particular people if it became law? If you do not have a view skip to next question.

Please explain the reasons for your answer and if there are any ways you think the proposal could avoid negative impacts on particular people.

This law if brought in properly will only help the most in need

Sustainability

Q15. Any new law can impact on work to protect and enhance the environment, achieve a sustainable economy, and create a strong, healthy, and just society for future generations.

Do you think the proposal could impact in any of these areas? If you do not have a view then skip to next question.

Please explain the reasons for your answer, including what you think the impact of the proposal could be, and if there are any ways you think the proposal could avoid negative impacts?

Done correctly this new law will help society for the better.
By helping the most in need
