An individual

Q2. Which of the following best describes you? (If you are a professional or academic, but not in a subject relevant to the consultation, please choose "Member of the public".)

Professional with experience in a relevant subject

**Optional: You may wish to explain briefly what expertise or experience you have that is relevant to the subject-matter of the consultation:**

I am a clinical psychologist/researcher whose expertise is in trauma, mental health and addiction. During the 80/90's I worked as a Sr.Clinical Psychologist in the Muirhouse/Pilton Drug Project in Edinburgh alongside Dr. Roy Robertson who identified HIV in his IVDU patients.

In the late 90's as a research fellow/lecturer in the Social Science Dept. University of Stirling. In 1996 I was given the responsibility of representing Scotland in a 9 country EU Biomedical II study on Dual Diagnosis. I introduced a child maltreatment screener to the assessment battery. Childhood Trauma was found to be statistically significant in many of the countries involved in the study.

From 2003 I was Director of Drug Issues Scotland a small consultancy and training project and continued to consult,lecture and train staff in the addiction field in both Scotland and across Europe until 2010 when I retired. I have a number of published grey and peer reviewed articles in journals and a few chapters in books in my area of expertise.
