Your Views On The Proposal

Q8. Which of the following best expresses your view of the proposed Bill? (please note this is a compulsory question)

Fully supportive

Please explain the reasons for your response.

Much needed. Step in right direction. Successful proven in other parts of world.

Q9. Do you think legislation is required, or are there are other ways in which the Bill's aims could be achieved more effectively? Please explain the reasons for your response.

Ideally but we should have a multidisciplinary approach to Scotland's drug problem. Especially rehab / addiction services and better access and coordination with social/ mental health services.

Q10. Which of the following best expresses your view of the proposal to establish overdose prevention centres?

Fully supportive

Please explain the reasons for your response.

Much needed. Proven to help reduce drug overdoses / deaths.

Q11. Which of the following best expresses your view of the proposal for a licensing regime to enable the establishment of overdose prevention centres?

Fully supportive

Please provide reasons for your response, including on the proposed conditions for licensing (see pages 12 to 14 of the consultation document) and on the proposal that health and social care partnerships are responsible for licensing and scrutinising OPCs?

Will reduce drug deaths. Help reduce addicts / needles / drug paraphernalia / crime in our city centres.

Reduce drug injury / death. Hospital capacity.

Great contact opportunity/access point to connect with services and offer additional support.

Q12. Which of the following best expresses your view of the proposal for a new body, the Scottish Drugs Deaths Council?

Neutral (neither support nor oppose)

Financial Implications

Please explain the reasons for your answer, including what you think the impact of the proposal could be, and if there are any ways you think the proposal could avoid negative impacts?

Better for run down areas of city centre.

Off the streets. More people feel 'safe'/ comfortable in town. Generates more for local economy. More attractive for investment. Reduction to the Emergency services resources been used.
